Custom Shape Plaques or Magnets

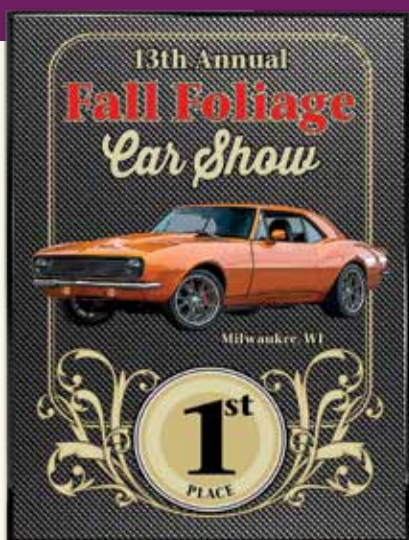

Our magnets can be cut to shape without expensive die charges for an alternative to the standard square or rectangle.

Aluminum dash plaques can also be die cut to shape, however there is a die charge to make the shape and a stamping cost associated with this option. Contact us with your ideas and we will be happy to provide pricing for these options.

Call us for pricing, we can make custom shapes to your specification.

Sponsorship Program

Save money on dash plaques...and get free items for your show participants.

We are in our eleventh year of offering a unique sponsorship program to help car clubs and organizations reduce their costs, and have free goodie bag stuffers to offer their event participants. This program has saved our customers over \$159,439.40 on dash plaques. We have teamed up with various sponsors in the past, and are continuing to try to find new companies that might participate. Each sponsor pays a portion of your dash plaque cost and will provide an item(s) for you to hand out to your participants. Some examples of items they have donated through this program over the years are goodie bags, gift certificates, discount cards, and full color magnets.

Please ask us about our current sponsors, and we will be happy to give you all the details when you are ready to order your dash plaques.
